

A complete conference room solution with flexibility in mind; delivering exceptional audio quality at an affordable price.

Customize your solution with multiple microphones and speaker options, direct connection to enterprise telephones, USB audio, a room controller, plus the ability to connect to rich-media systems.

**INTERACT MIC #910-154-015**  
Each pod features three voice-activated mic elements for 360° audio pickup.

**INTERACT COM #910-154-030**  
Provides an interface to telephone sets via the headset port or to PC audio via a USB port. The Wireless Com provides the interface to a wireless controller.

**CLEARONE LOUDSPEAKERS**  
(WALL-MOUNT #910-151-002-01 OR CEILING #910-151-001-01)  
Ceiling or wall-mount options provide premium sound. Also available without speakers for custom speaker options.

**INTERACT MIC EX #910-154-020**  
Each box contains three industry standard XLR microphone connectors. Boxes are daisy-chained from mixer using standard RJ-45 cables. Boxes can be rack-mounted with mixer or strategically positioned throughout a room to minimize microphone cable runs.
