### CSD-6303T

2-Way PA Ceiling Speaker

AHUJA offers a new range of **2-Way Full Range Speakers** : Ceiling Speaker models **CSD-8401T** & **CSD-6303T**, and In-wall Speaker **WCS-6304T**. These have excellent fidelity and wide frequency response for faithful reproduction of both speech and music. These three models are designed for use on 100V line. And all have aesthetically designed grills and frames which integrate excellently with a variety of interiors. These models are carefully engineered for quick and easy installation, making them an ideal choice for a wide variety of applications like hotels, office buildings, restaurants, hospitals, shopping malls, department stores, cinemas, gyms, etc.

## Features

- High quality 2-way full range speakers.
- Aesthetically designed, moulded plastic frame with metal mesh grill.
- In CSD-6303T & CSD-8401T, tweeter can be tilted at an angle to focus clear, intelligible sound in the desired direction.
- Easy selection of power taps on 100V line matching transformer.
- Easy to mount arrangement for quick installation.
